

### **IMPORTANT INFORMATION REGARDING BIG SERVE DAY!**

- Big Serve Day will be held, District Wide, on Saturday, October 26, 2024!
- Big Serve information was emailed to all pastors.
- T-Shirts are available for your church members to order at a cost of \$10 per shirt.
  - Order Forms are available on the Website, for your church to print, and will also be emailed to pastors.
  - T-shirt orders may be brought to NDI Lead Day, District Assembly, and NMI Convention. A church check made out to the Joplin District will need to accompany the form.
  - All T-shirt orders must be at the District Office, accompanied by a **check made out to 'Joplin District'**, by **August 13, 2024**.
  - T-shirt order forms will also be available at NDI Lead Day, District Assembly, and NMI Convention.
  - T-Shirts will be available for pick-up at Team Days in October.
- Each church needs to provide the name of a Big Serve Point Person for their church, along with a phone number and email address of the Point Person. There will be forms at the Big Serve table at NDI Lead Day, District Assembly, and NMI Convention for providing this information.
- The Big Serve Timeline for Churches is available on the District Website.
  - As you plan your project(s) for Big Serve Day please remember to keep your projects doable in one day. You want to be able to complete the project.
  - You could have multiple small projects happening on Big Serve Day. For example: there could be a group delivering cookies to nursing home employees, while another is working on painting playground equipment at the park.

If you have any questions you may contact Clyde or Deb Davidson at [cwddavid1989@gmail.com](mailto:cwddavid1989@gmail.com).
